IGCC Campus Alert August 2006

Arthur M. Schlesinger, Jr. Research Fellowships

Due August 15, 2006

These fellowships are intended to support scholars in the production of substantial works on the foreign policy of the Kennedy years, especially with regard to the western hemisphere, or on Kennedy domestic policy, especially with regard to racial justice and to the conservation of natural resources.

International Affairs Fellowship Program

Due September 19, 2006

The fellowships seek to bridge the gap between thought and action in foreign policy by supporting both a variety of policy studies and active exposure to policymaking. The distinctive character of the program lies in the contrasting experiences it provides at the juncture of policy research and policy formulation.

Marjorie Kovler Research Fellowship

Due March 15, 2007

This fellowship is intended to support a scholar in the production of a substantial work in the area of foreign intelligence and the presidency or a related topic. The successful candidate will develop at least a portion of her or his work from original research in archival materials from the collections of the Kennedy Library located in Boston, Massachusetts.

Dissertation Fellowship in Military History

Due Continuous

To encourage and support the production of dissertations in military history by qualified graduate students, the center offers up to four dissertation fellowships each academic year. Although the history of war on land is broadly defined in the fellowship program, the selection of winners gives preference to topics on the history of

Lionel Gelber Prize

Anticipated deadline October 31, 2006

The Lionel Gelber Prize was founded by Canadian diplomat Lionel Gelber. The Gelber Prize honours the excellence of those who think and write about the local and global forces of change in international relations. The prize seeks to deepen public debate on significant global issues by broadening the readership of important nonfiction books on international affairs.

University of Notre Dame Kroc Institute for International Peace Studies

Due November 1, 2006

The Kroc Institute brings together outstanding scholars to conduct peace-related research, broadly defined. Themes include the peacemaking role of international norms, policies, and institutions; approaches to the study and resolution of violence; and the quest for social, economic, and environmental justice.
