Fellowship for the Study of German Politics, Society, and Culture

American Council on Germany (ACG)

Applications Due July 7, 2006

The Dr. Guido Goldman Fellowship is intended to foster the study of European economic and international affairs. Topics that would fall under the rubric of the fellowship include the formulation of German economic and foreign policy and the evolution of United States-European relations. The project should contribute to an understanding of the economics and foreign relations of Germany, Europe, and North America. Fellows are required to develop research itineraries in consultation with the ACG.

International Affairs Fellowship Program

Applications Due September 19, 2006

The fellowships seek to bridge the gap between thought and action in foreign policy by supporting both a variety of policy studies and active exposure to policymaking. The distinctive character of the program lies in the contrasting experiences it provides at the juncture of policy research and policy formulation.
